

Freestyle Audio LLC Closes \$1 Million Financing Round

July 25, 2006 - San Diego, California - Freestyle Audio, creator of the world's first and only waterproof mp3 player designed specifically to accommodate the special needs of active and water sport enthusiasts, recently closed the Company's first financing raising \$1 million. The proceeds will be used primarily for sale and marketing programs, repaid debt, and other working capital purposes.

Freestyle Audio is a leading provider of active sports audio technology for use in water, snow and other extreme environments not friendly for consumer electronics. Freestyle Audio waterproof mp3 players allow all athletes to significantly enhance their active sports experience and truly live up to the company's tagline "take your music there."

To date, the Company has been featured in several magazines, including INC. Magazine, FHM, STUFF magazine and CNN to name a few. Freestyle Audio burst onto the scene this past year by entering into co-branded product and distribution partnerships with action sport icons Billabong (surf – SoundWave offering) and Liquid Force (wakeboard – Liquid Tunes offering) for varying models of their waterproof mp3 players.
